Running TradeCompanion

To start you must click on the Icon on your Desktop named “TradeCompanion” it will Display a Sign-up Form on your Screen.

The image shows a Windows-style dialog box titled "Signup Form [Tradercompanion]". It contains instructions: "Fill the details to signup. Login details will be emailed to you. If you already have login details, please close this window." Below this, a note says "* Mandatory Fields". The form has several input fields: "EmailID*", "First name*", "Last Name", "Address*", "City*", "Country*", and "Phone No*". At the bottom are "Sign Up" and "Cancel" buttons.

You must fill all fields and click on the [Sign Up](#) button. Make sure you had filled correct [Email ID](#). As you will receive you [Login ID](#) and [Password](#) via Email. You will be able to login only after getting ID and Password.

If you have already account Login id and password then just click on Cancel button this will gives you the login Screen

The image shows a Windows-style dialog box titled "TradeCompanion". It features the "TRADE COMPANION" logo with the tagline "ALGORITHMIC AND AUTOMATION SOFTWARE FOR THE FOREIGN EXCHANGE MARKET". Below the logo, there are input fields for "Loginid" (containing "rahul"), "Password" (masked with "XXXXXX"), and "Server" (a dropdown menu showing "Gain"). There is a checked checkbox for "Remember Loginid_Password". At the bottom are "OK" and "Cancel" buttons. A link for "Forgot password?" is located at the bottom right.

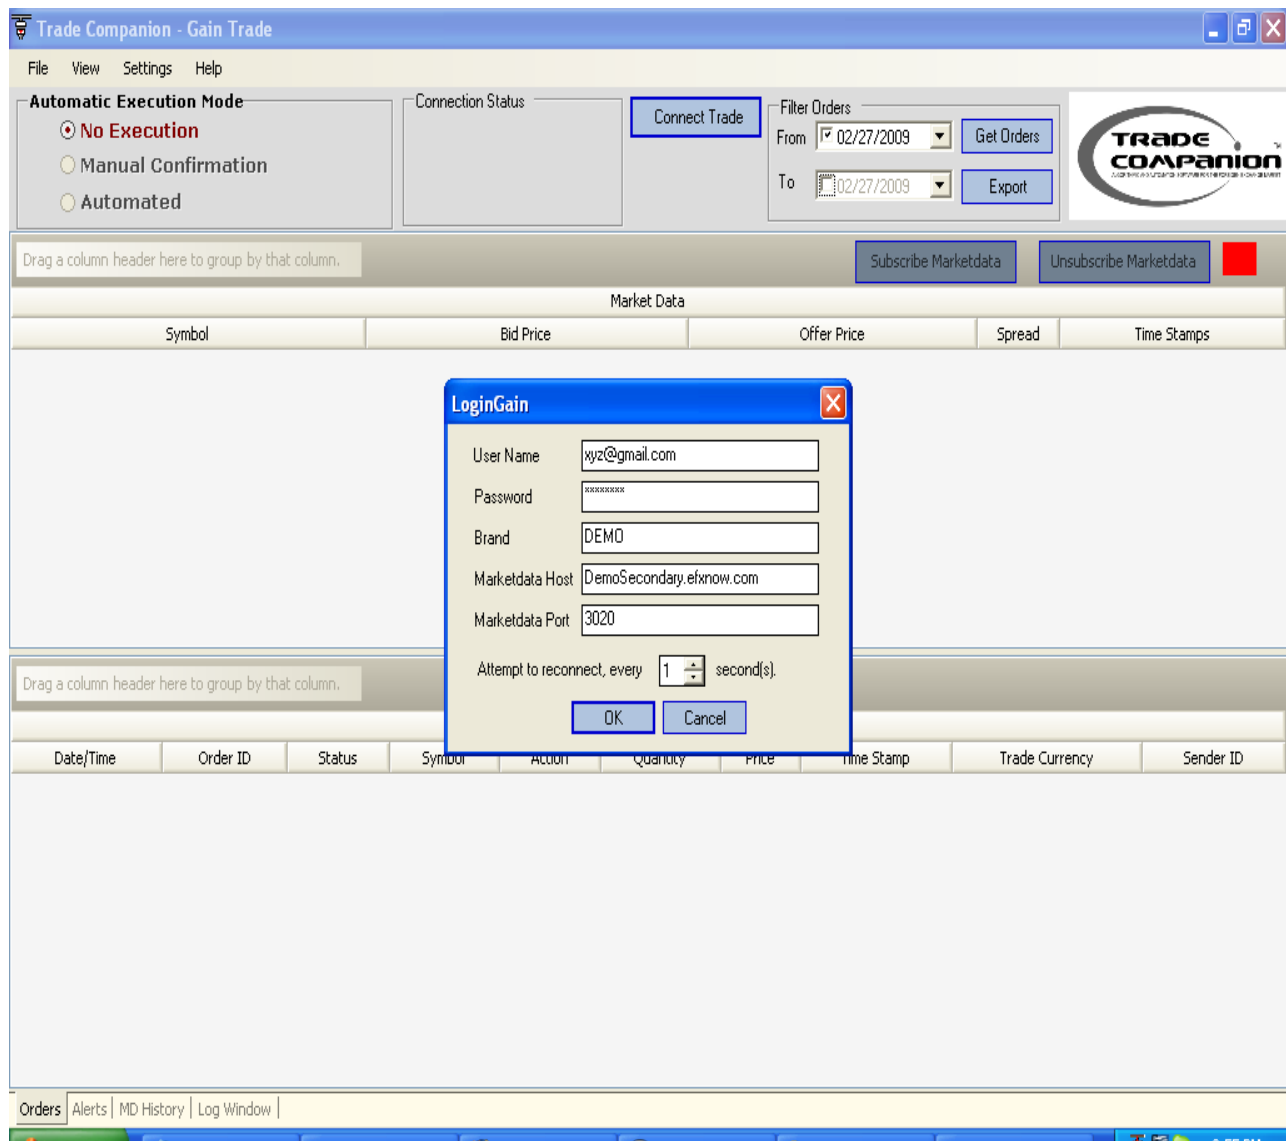

Enter the Login Detail to login into TC application

Note : Here user has to choose the Broker name that he wants to trade the above picture shows the user going to trade with Gain
